

EMPLOYMENT OPPORTUNITY

Chief Jacob Berens Mino-Ayaawin Center

Berens River Health Authority

PRIMARY CARE REGISTERED NURSES

JOB SUMMARY The Chief and Council of Berens River First Nation is currently seeking Primary Care Nurses to become an integral part of our interdisciplinary Health Care Team at the Chief Jacob Berens Mino-Ayaawin Center. These positions are full time on rotational schedules of 2 weeks in community with 2 weeks out.

Under the supervision and co-ordination for the Client Care Manager, and the Director of Nursing & Professional Services the Primary Care RN, licensed by the College of Registered Nurses of Manitoba, will provide professional expanded scope of practice care for our predominantly Indigenous population across the life span. The Primary Care RN must be able to utilize knowledge, skills, and judgement specific to the critical thinking and decision making for optimal patient care with the ability to analyze and assess presenting physical and mental health concerns and be able to effectively collaborate with the other Primary Care RN's, Physicians, Specialists, and Health Care Providers.

DUTIES INCLUDE: In accordance with FNIH Clinical Guidelines the Primary Care RN will:

- Perform physical exams including appropriate diagnostics procedures utilizing laboratory and x-ray equipment.
- Evaluate health status based on assessment information and develop appropriate treatment plans
- Dispense drug therapies, institute therapeutic treatments, including procedures such as suturing, partial casting, dressing changes, IV therapy, venipuncture etc.
- Be an active participant with clinic health and wellness delivery programs i.e Well Child, Well Woman/Man, Prenatal, Chronic Disease management, Sexual Health, Influenza campaign etc.
- Evaluate treatment results, and revise care/treatments plans as required.
- Will be expected to provide advanced emergency and share on call coverage after clinic hours, the ability to manage emergency childbirth, stabilization of critically ill or injured clients of all ages until aero-medical evacuation is arranged, is paramount.

QUALIFICATIONS:

- Active practicing registration with the College of Nurses of Manitoba (CRNM)
- A baccalaureate degree in Nursing (e.g BScN) recognized in Canada, or a nursing diploma.
- Completion of a certificate or diploma in Community Health from a Canadian University is an asset.
- Completion of the Northern Clinical Education Program (NCEP) and willingness to complete the program as available.
- ACLS, PALS, CPR, ITLS, Controlled Drugs and Substances, and Immunization certifications are mandatory, willingness to complete in a timely manner will be essential.
- Criminal Record Check and Child/Adult Abuse Registry Checks may be required.
- Medical Clearance
- Ability to understand and speak Saulteaux (Ojibway) is an asset

DEADLINE TO APPLY: WEDNESDAY, JULY 11TH, 2018 – 4pm
